

Opinions of Others

President Kennedy, in voicing his disapproval of the provisions for a 25-hour work week written into a contract by an eastern electrical labor union, echoed the feelings of all who have the nation's future at heart. As he indicated, anything that tends to lessen our productivity cannot serve the best interests of the country. — Santa Paula (Calif.) Chronicle.

The common law of business balance prohibits paying a little and getting a lot — it can't be done. Passage of the proposed federal aid to education will provide a law that does not prohibit paying a lot and getting a little. — Spring Valley (N. Y.) Leader.

Because the federal government collects and spends more tax money than other subdivisions of government, some people are losing interest in local government. This is unfortunate, but also part of the "Marxist" planning. In good government where there is some freedom of thought and expression, local subdivisions where the people are in authority must play the dominant part. Thus township, school district, and county must receive adequate attention if we are to maintain a semblance of freedom. — Corsica (S.D.) Globe.

The Communists tell the Russian people that America is the worst place in the world, that half of us are starving to death — in the very next breath they are bragging that in the next couple of years they will catch up with our standards of living. — Farmingdale (N.J.) Howell Booster Times.

Garden Checklist

1. Summer blooming bulbs such as tigridias and cannas may still be planted.
2. Plant subtropical fruits and plants as soon as frost danger has passed.
3. Many azaleas may be found in full bloom at nurseries. The deciduous mollis azaleas may also be bought and planted at bloom time.
4. Daylilies may be set out now for summer bloom.
5. Start thinking about potted shrubs and trees for your outdoor living area. Tubed marguerites make colorful companions when grown with this in mind.

Four CJA Drivers Bid for Second Win

Four drivers will be after their second feature win of the year in Sunday afternoon's CJA Super-Modified car races at Gardena's Western Speedway, 139th Street at South Western Avenue where more than 100 laps of action are in the nine-event program.

With four races run this year, four different drivers have come out with feature wins in the tough CJA competition. They are Art Atkinson of South Pasadena; Ed Van Eyk of Bellflower; Chuck Townsend of Gardena, and Jack Austin of Downey.

Austin drives a Buick V8 powered machine, while the other three all pilot Corvette powered mounts.

BESIDES trying for wins the drivers will be out to set new track records at different distances. Townsend holds the one lap mark at 15.92, and the 40-lap standard at 11:12.74. Austin has the three-lap record of 49.45. The day's program will include a 40-lap feature, a 20-lap semi-main, a 10-lap consolation, four 8-lap heat races, and a 3-lap trophy dash. Racing begins at 2:30 p.m., preceded by time trials at 1 p.m.

WITH MORE than 50 cars and drivers entered the "favored four" will have plenty of competition. Leading drivers who have entered include "Tiger" Jim Roessler, 1961 CJA champion from San Bernardino in a Corvette powered racer; Mike Chapman, Duarte (Buick); Vallie Engelauf, Riverside (Corvette); Freddie Thompson, Downey (Buick); Bob Simmons, South Gate (Corvette); Bucker Stoner, Ontario (Olds).

Also entered are Jay East, Colton (Corvette); Steve Kenick, Temple City (Buick); Jasper Lopiccolo, Downey (T-Bird); Dee Harty, Temple City (Buick); Donnie Harrison, Gardena (Ford V8); Ron Garriott, Gardena (Buick); George Durade, L.A. (T-Bird); Billy Cantrell, Ontario (T-Bird); Harry Prouty, Buena Park (Merc.); Jimmy Oskie, Maywood (Ford); Kenny Hall, Wilmington (Merc.); Mel Armstrong, Lakewood (Merc.); Art Hayes, Azusa (Merc.); Chuck Guevera, Gardena (Merc.); and Dallas Harrison, Hermosa Beach (Ford).
